// WORK EXPERIENCE

>> Software Developer

Koach AI Technologies | 2022 to present

As a mobile and web app developer with expertise in UI/UX design, I develop and oversee high-quality applications. I lead the design and development of user interfaces, collaborate with cross-functional teams to enhance application quality and functionality.

>> Mobile Application Developer

Arramton infotech Pvt. Ltd. | 2021 to 2022

Created prototype designs and functions for new as well as old and legacy ionic applications. Scaled numbers of old running projects and integrated new features. Dipped my toes on other front-end development frameworks such as React and Flutter.

>> Software Engineer

Open Source Technologies | 2020 to 2021

Design new prototypes for e-commerce applications, worked on AWS implementations and other 3rd party plugins with my team to design, develop and deploy.

>> Jr. Mobile Application Developer and Intern

Cyborg System Nebula Studio | 2019 to 2020

// EDUCATION HISTORY

>> Guru Gobind Singh Indraprastha University

B.Voc - Software Development | 2015 to 2018

> Major: Software Development
> CGPA: 8.74
> Credits: 192
> Related Coursework: Web Development, Networking, Database and IoT

>> Vidya Bharati School (C.B.S.E)

Completed 12th | Class of 2014

> Major: Science (Physics, Chemistry, Mathematics & Computer Science)

>> Kendriya Vidyalaya Pitampura (C.B.S.E)

Completed 10th | Class of 2012
